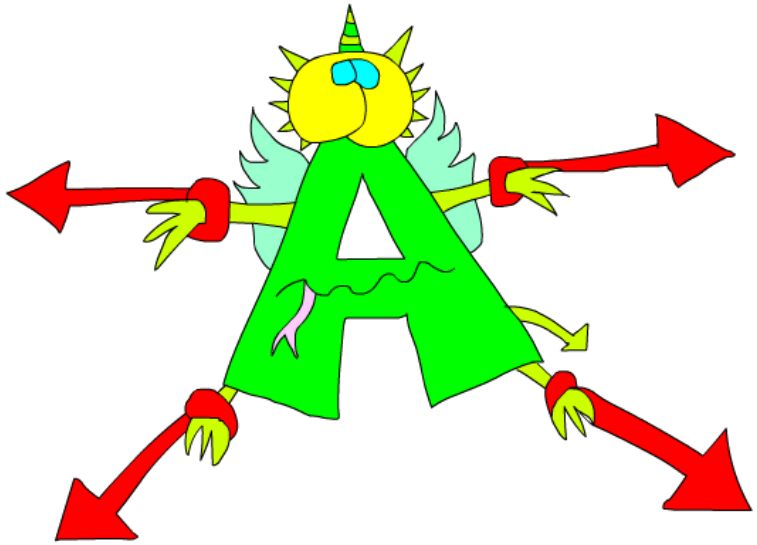
OOPS, I GOOFED!

"Everyone -- practice your magic spells!" the Dragon King told his students. "And don't worry if your spells don't work the first time. We all make mistakes. Just tell yourself: 'Oops, I goofed!' and try again."



The A-Dragon went first. It used magic to try to make an apple appear. But instead of an apple, it got “a *pull*.” Arrows starting PULLING the dragon’s arms and legs in different directions! “Oops, I goofed!” the A-Dragon cried. “Ouch! Ouch!”

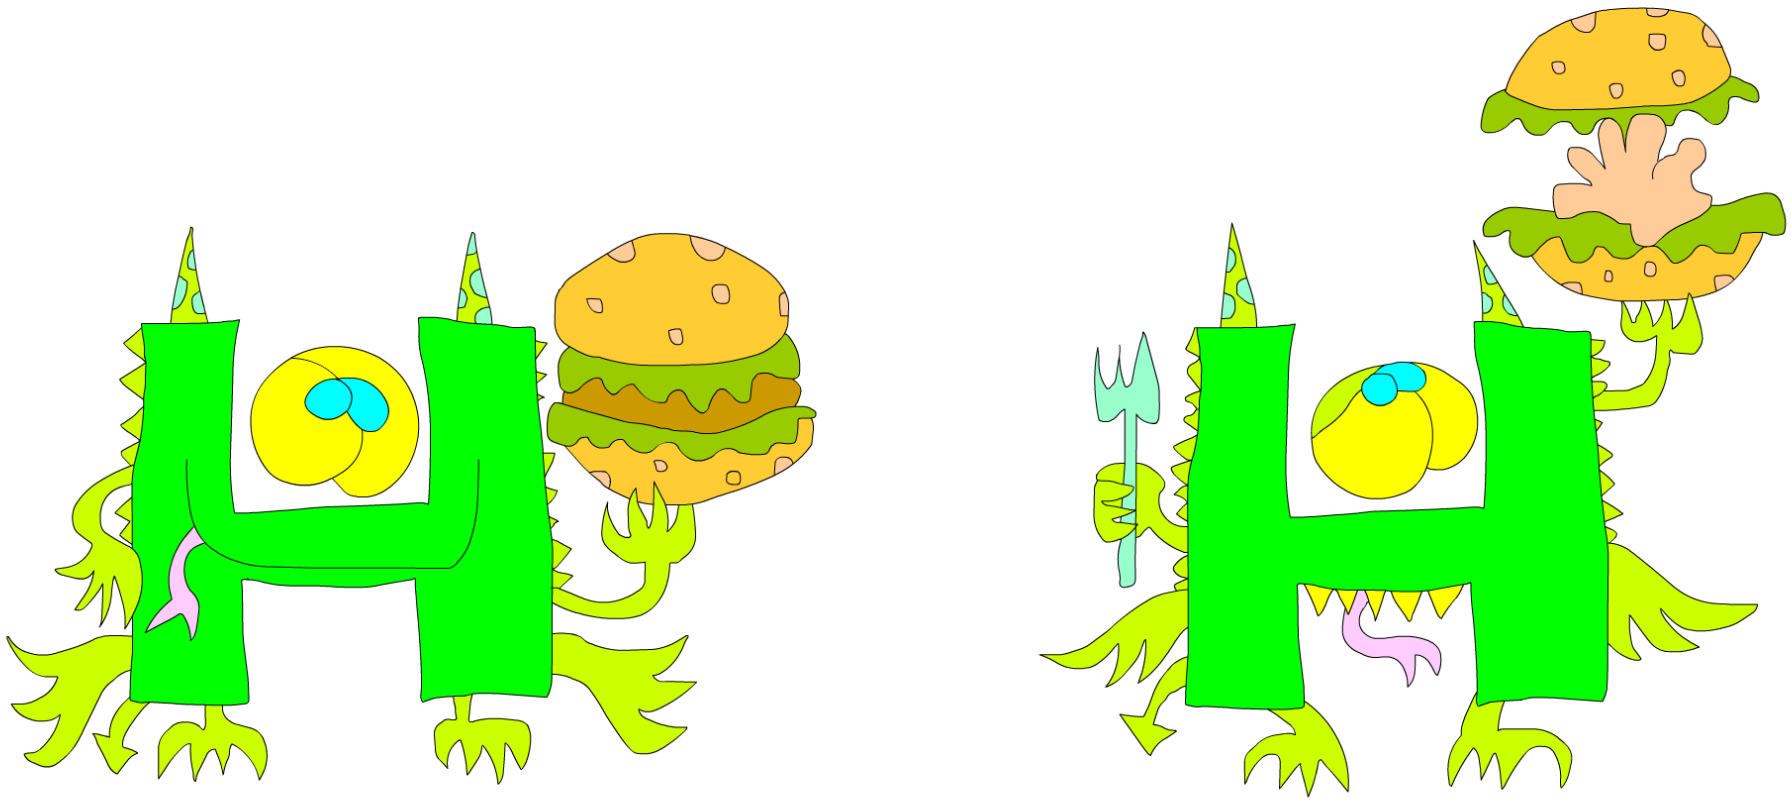
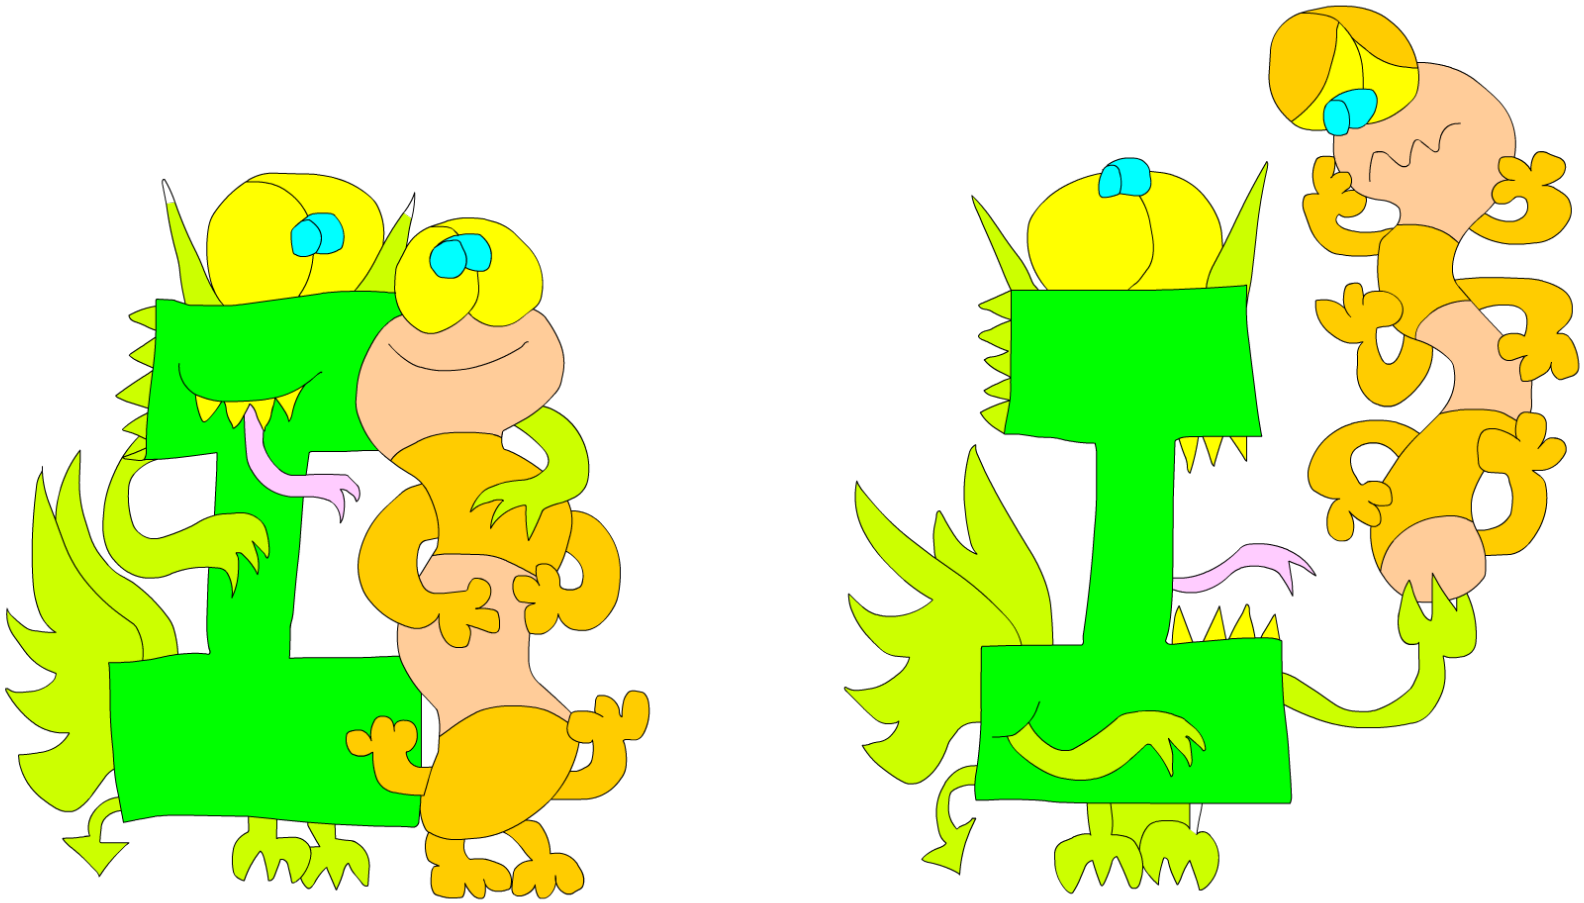
The F-Dragon called out “flower!” but instead of a beautiful flower, it got a bag of flour dumped on its head. “Oops, I goofed,” the dragon shrugged. “Time for a bath.”

“Gee,” said the G-Dragon, “it’s my turn now.” “Grape!” it commanded. But instead of a grape, it got an ape. “Oops, I goofed!” cried the dragon. “I prefer bananas,” said the ape.



“Hamburger!” commanded the H-Dragon. But a HAND-burger appeared instead. “Oops, I goofed!” said the dragon. “Can somebody give me a hand?”



“Inchworm!” called out the I-Dragon. But an itchy-worm appeared instead. “Oops, I goofed!” cried the dragon. “I had better start from scratch.”

The M-Dragon used a spell to make money. But instead of money, it got a monkey. “Oops, I goofed!” said the dragon. “I need to stop monkeying around.”

The N-Dragon used a spell to make a cozy nest. But instead, it was caught in a net. “Oops, I goofed!” it cried. “This is net – I mean NOT – what I wanted.”

The O-Dragon called out “orange juice!” but got an empty glass of “Oh, no juice!” instead. “Oops, I goofed!” it cried.

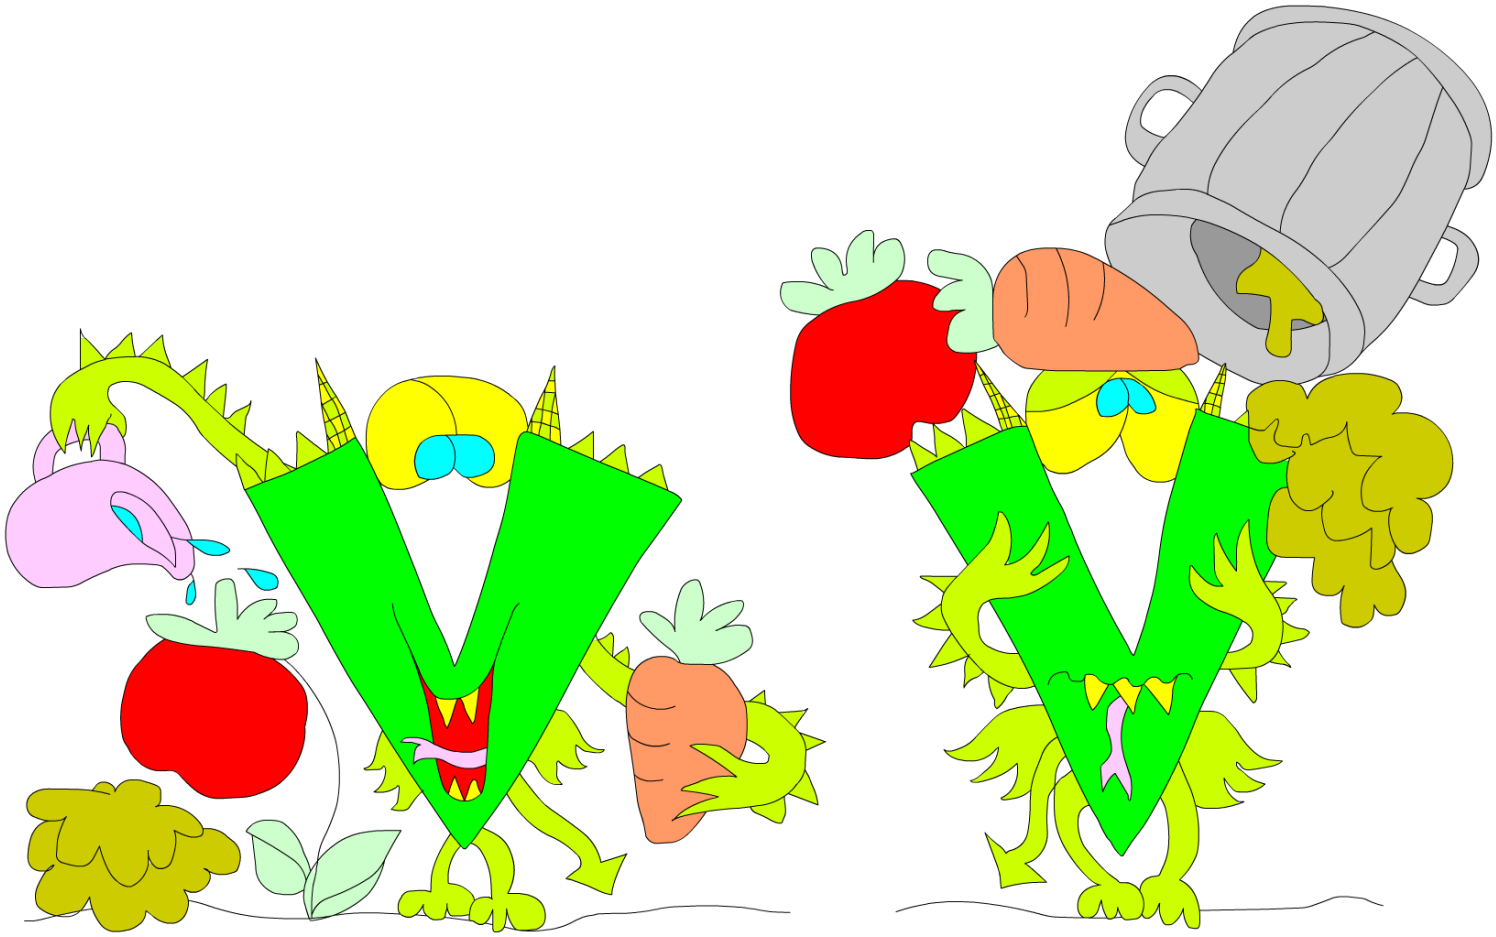
The T-Dragon tried to make toys. But instead it made toes. “Oops, I goofed!” cried the dragon. “I really put my foot in my mouth.”

The U-Dragon tried using magic to make underwear. But instead, it found itself standing under a werewolf. “Oops, I goofed!” cried the dragon. “Can I please borrow some underwear?”



The V-Dragon used a magic spell to make a vegetable garden, but ended up with vegetable garbage instead. “Oops, I goofed!” cried the dragon. “Lettuce try again!”

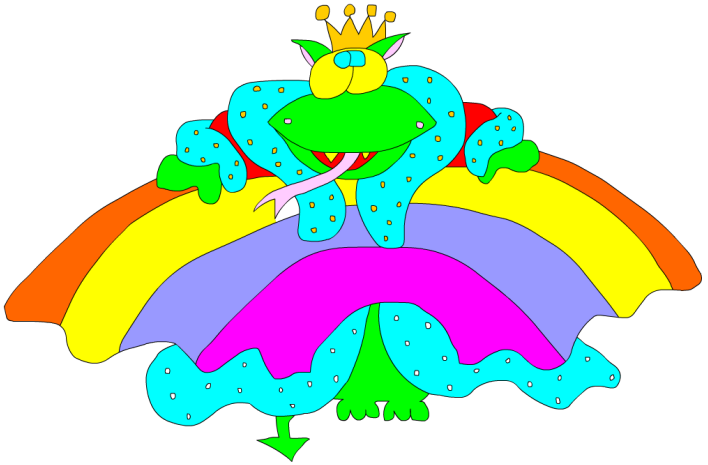
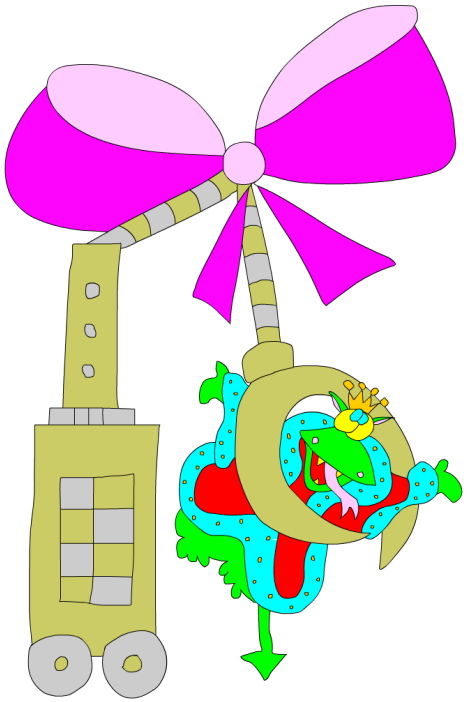
The Z-Dragon tried using a spell to zoom, but instead found itself stuck in the zoo. “Oops, I goofed!” it said. “Can I go home now?”





The King ended his class by saying: “When you get to be as good at magic as I am, you can even make a rainbow appear!” But instead of making a rainbow, he made a Crane-Bow. “Oops, I goofed!” laughed the King. “Now can somebody please get me down from here?”
